## Meeting Minutes

The meeting was called to order at 6:30 by Will Lavery with seventeen members, four officers and three guests (soon to be members Ross, Russell, and Russell Roberts) in attendance. See the attached attendance sheet.

The May meeting minutes were approved and no one proposed that they be read.

**Treasury Report:** Dave Moore gave the following summary of the treasury.

Income Total: \$355.62

Expenses Total: \$134.79

Cash on Hand: \$113.00

Checking Account: \$8,363.21

Total: \$8,476.21

The Treasury Report was approved.

**Training & Safety Report:** Kevin Jarvis reported for the absent Steve Spielbusch that training is going well. There can be three trainees to one trainer. Kevin has asked all pilots to consider becoming a trainer to handle the heavy load. Contact Steve Spielbusch about joining the training team. Kevin reminded all trainers to bring their flying 'kits' to assist in repairs, battery checking, etc. Kevin also announced that Spud Spornitz and Hans Weding has soloed on Tuesday night. (Hans has soloed – a Start Wars pun....)

The Training & Safety report was approved.

**Field Maintenance:** John Baker reported that the grass cutting continues. The grass was cut on Thursday this week in anticipation of rain on Friday. You can fly all day this Friday the 13<sup>th</sup> if you dare.

The Field Maintenance Report was approved.

## Old Business

David Moore announced that he and John Baker represented our flying club at the Johnson County Library 2025 Community Connections Fair on Saturday, June 7<sup>th</sup> from 11:00 AM -1:00 PM.

The club picnic is this Saturday, June 14<sup>th</sup> and it is also flag day. Hamburgers, hot dogs and drinks will be provided by the club. You can bring side dishes and snacks. Lunch will be served around noon.

## Old Business Continued

Will Lavery announced that there will be a Swap-N-Shop either the first or second weekend in December at the Lenexa Civic Center. This will make setting up much easier as we already have the floor plan for this building.

One of our new members had an accident where he cut himself with the spinning prop. We learned that our first aid kit is inadequate for the job. Ryan Combs acquired a water tight container that is now mounted to the outside of the shed. It is bright red and contains first aid equipment. You are encourage to look at the contents and feel free to suggest items that need to be added. Plus, just make yourself familiar with what is in there. The club voted to reimburse Ryan Combs the \$50.00 he spent to purchase the first aid container.

## New Business

Paola Kansas could be the spot for our Float Fly. It was mentioned that there are no electric outlets at this location. Jay Ekvall mentioned that he charged his batteries from his car battery.

John Baker announced that he has t-shirts and hats to sell. Steve Spielbusch has some 2XL and up t-shirts and several small youth size t-shirts available.

With the growing in size, the electric outlets are in full use. Eric Fernandez has donated a four-port electric outlet complete with wire and romex. Eric said he could hook it up to an open breaker on our electric panel in the shed. We first need to install an extra shelf above and to the right of the existing shelf.

## Model of the Month

There was no model of the month.

**The meeting was adjourned at 6:58 PM.**

# Attendance Sheet

June 12, 2025
