October 9th 6:30 PM
At the flying field.

Pylon Racing and
Chili lunch
October 11th
At the flying field

Meeting Minutes

The meeting was called to order by Will Lavery at 6:33 PM with eighteen members, and four officers in attendance. See the attached attendance sheet.

The August meeting minutes were approved and no one proposed that they be read.

Treasury Report: Will Lavery gave the following summary of the treasury as Dave Moore was unable to attend the meeting.

Income Total: \$ 0.00	Expenses Total: \$ 302.00
Cash on Hand: \$ 65.75	Checking Account: \$ 7,224.37
Total: \$ 7,290.12	

Steve Spielbusch has some checks for the Swap-N-Shop that have yet to be turned in to Dave Moore.

The Treasury Report was approved.

Training & Safety Report: Steve Spielbusch reported that training nights are going well. There are no safety issues to report. Two members have soloed since last month. They are: Ross Roberts and Garold Oliver.

The Training & Safety report was approved.

Field Maintenance: John Baker reports that the grass is slowing down enough to miss a week of mowing. It was noted that the tick control seems to be working as no one has reported getting a tick on them from the infield.

The Field Maintenance Report was approved.

Old Business

The only item that needed to be addressed is for Will Lavery to remind Dave Moore to contact other flying clubs about our Swap-N-Shop.

New Business

September the 15th is the cut off date for new memberships. Anyone that applies for membership on or after September 15th thru December 31st will be granted membership for the 2026 year.

New Business continued

Saturday October the 11th will be the date for the chili cookoff. You are encouraged to bring your favorite chili and side dishes to the flying field for a great chili lunch. This date also features a team flying competition based on flying time. The winning team gets to line up first for the chili lunch.

Model of the Month

Returning member Alex Rillos submitted a Dalotel 47" wing span plane build from plans. Each piece was individually cut out by hand. The wings were made of foam cut to shape with a hot wire cutter. The nose cowling and cockpit was hand carved out of wood. The plane is powered by a 4S battery that runs a Turnigy Plush 60A esc that in turn runs a Turnigy sk3 D7240-740 KV motor. Alex Rillos's plane won the competition hands down.

The meeting was adjourned at 6:51 PM.

Attendance Sheet

September 11, 2025

Tony Baron	Yasriel Hernandez
JERRY JANIZ	MIKE GIRARDI
SCOTT WALLACE	
Kevin Jarvis	
Ricky Koppke	
John Dehn
