Meeting Minutes

The meeting was called to order by Will Lavery at 6:33 with nine members, and five officers in attendance. See the attached attendance sheet.

The October meeting minutes were approved and no one proposed that they be read.

Treasury Report: Dave Moore gave the following summary of the treasury.

Income Total: \$ 834.90	Expenses Total: \$ 93.85
Cash on Hand: \$ 65.75	Checking Account: \$ 7,560.16
Total: \$ 7,625.91	

The Treasury Report was approved.

Training & Safety Report: Steve Spielbusch announced that the training for this season is over and wants to thank all the trainers and other members that help with the other aspects of the training night. The last three members that soloed this past month are Quintns Payne. Two others members that we could not remember their last names. (Jack and Dennis) Sorry guys.

The Training & Safety report was approved.

Field Maintenance: John Baker announced that the mowing season is over. He mentioned that the mowers need oil and filter changes. Cleaning of the mower decks is not needed this time. John wants to thank all those who participated in mowing and trimming the field. Volunteers are welcome for next season.

The Field Maintenance Report was approved.

Old Business

Steve Spielbusch mentioned that table sales for the Swap-N-Shop have slowed down and that plenty of table are available. Steve will add an entry into Craigs List. **The big issue is that we need our members to show up and help to make this successful.** It is suggested that you should wear any club logoed items. You will be issued a staff badge. We need members to show up at 7:00 AM sharp and be ready to be assigned a task. Those tasks can include marking the floor with tape, placing number tags on tables and floor spaces. At least four people to man-guard-assist at the four door openings. Two people at the front door to take entry fees and stamp their hands.

Old Business cont.

One person to make a pizza run. One person to make the free coffee and sell donuts. ***E-mail Steve Spielbusch and let him know you are available.***

The Swap-N-Shop will be at the Lenexa Activity Center on December 6th and we need to set up at 7:00 AM sharp. We need to be out at 2 PM.

New Business

Rich Kirkpatrick has scheduled a cell phone technician friend of his to measure any possible radio source that could be causing our planes to lose control.

Model of the Month

Marv Allen brought a balsa ARF Decathlon plane as the model of the month. It has had previous owners and some modifications include, but not limited to, making the wing a two piece instead of one. It is glow powered with a Saito 72 engine. It has not yet been flown. Marv won the award hands down.

The meeting was adjourned at 7:32 PM.
